

**MEMORANDUM OF AGREEMENT
BETWEEN
THE STATE OF ALABAMA DEPARTMENT OF FINANCE
AND
THE ALABAMA DEPARTMENT OF MENTAL HEALTH
FOR THE DISTRIBUTION AND ADMINISTRATION OF
CORONAVIRUS STATE FISCAL RECOVERY FUNDS**

This Memorandum of Agreement (the “Agreement”) is made by and between the State of Alabama Department of Finance, at 600 Dexter Avenue, Montgomery, Alabama 36130 (hereinafter referred to as “DOF”), and the Alabama Department of Mental Health at 100 North Union Street, Montgomery, Alabama 36130 (“ADMH”). DOF and ADMH may be referred to herein individually as a “party” and collectively as the “parties.” This Agreement becomes effective on the approval of the parties and the Governor of the State of Alabama.

I. PURPOSE

The federal American Rescue Plan Act of 2021, Public Law No. 117-2, 135 Stat. 4. (“ARPA”) was signed into law on March 11, 2021. The Act amended the federal Social Security Act to add Section 602 to the Social Security Act, and by doing so, created the Coronavirus State Fiscal Recovery Fund (hereinafter referred to as “FRF”). The Act appropriated funds from the FRF to the State of Alabama and other states to support their response to the impact of COVID-19 on their communities, residents, and businesses; and to aid in efforts to contain COVID-19. Under Section 602 of the Social Security Act, FRF funds may be used to cover costs incurred by the State on or before December 31, 2024, for one of four broad purposes:

- A. To respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits; or for aid to impacted industries;
- B. To respond to workers performing essential work during the COVID-19 public health emergency, by providing premium pay to eligible workers who are performing essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;
- C. For the provision of government services to the extent of the reduction in revenue of the State due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- D. To make necessary investments in water, sewer, or broadband infrastructure.

The Secretary of the Treasury has promulgated regulations for purposes of implementing FRF. On April 1, 2022, the Final Rule, published in the January 27, 2022, Federal Register, at 87 Fed. Reg. 4338 (the “Final Rule”), took effect.

The State of Alabama received \$2,120,279,417 in FRF funding from the federal government. Section 1(a)(5) of Alabama Act No. 2023-1 (“the Act”) appropriates up to

\$25,000,000 of such funds to DOF to be used to support mental health programs and services (the "Funds"). The Act authorizes DOF to delegate these funds through memoranda of agreement to ADMH. By way of this Agreement, DOF is allocating \$11,000,000 of the Funds to ADMH to be used by ADMH to assist with addressing the increased demand for mental health treatment as a result of the disruption of care due to the COVID-19 pandemic. Specifically, the parties intend for the Funds to be used by ADMH to cover mental health treatment expenses incurred by ADMH's contractors AltaPointe Health Services and Wellstone HVL on behalf of ADMH as more fully detailed in Appendix A.

II. PARTIES' RESPONSIBILITIES

A. ADMH agrees to the following:

1. To use the Funds in accordance with Section 602 of the Social Security Act, the Final Rule, the Act, and other applicable federal and state law, and for the purposes set forth in this Agreement and in Appendix A, and for no other purpose;
2. To comply with the federal Uniform Guidance applicable to federal assistance funds, including, but not limited to, complying with the State's procurement laws;
3. To provide to the State Finance Director's Office by September 10, 2023, and monthly thereafter on the 10th of every month, a report detailing how the Funds are being utilized and details of expenditures made since the preceding report, and further provide quarterly reports beginning on October 10, 2023 (and quarterly thereafter) as well as interim reports as the State Finance Director's Office may determine necessary;
4. To provide to DOF all information requested in a complete and timely manner; and
5. To return any funds provided by DOF under this Agreement that remain unobligated on June 1, 2024 by June 30, 2024;
6. To provide to the State Finance Director's Office on June 1, 2025 and June 1, 2026, reports setting forth the expenditure status of all obligated Funds, to include the anticipated status of funds between the date of the report and the final return date set forth below; and
7. To return any Funds provided by DOF under this Agreement that remain unspent on June 1, 2026 by December 1, 2026.

B. DOF agrees to the following:

1. Within 14 days of the effective date of this Agreement, to provide \$11,000,000 to ADMH from the State's FRF funds as described herein and in Appendix A; and
2. To satisfy all federal reporting requirements applicable to the Funds.

III. TERMINATION OF AGREEMENT

Except as set forth in this section, this agreement may be terminated by either party for any reason with sixty days' written notice to the other party. ADMH acknowledges that all Funds provided under this Agreement must be obligated by June 1, 2024 or returned to DOF by June 30, 2024 and spent by June 1, 2026 or returned to DOF by December 1, 2026. If ADMH determines that it will not pursue this project for whatever reason, it may terminate this agreement upon written notice to the State Finance Director and upon return of any unspent funds. DOF may terminate this agreement immediately upon written notice to ADMH.

IV. MISCELLANEOUS PROVISIONS

A. The terms and commitments contained herein shall not constitute a debt of the State of Alabama, which is prohibited by the Constitution of Alabama, 2022, Art. XI, Sec. 213.

For any and all other disputes arising under the terms of this Agreement which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such dispute resolution shall occur in Montgomery, Alabama, utilizing, where appropriate, mediators selected from the roster of mediators maintained by the Center for Dispute Resolution of the Alabama State Bar.
