

**MEMORANDUM OF AGREEMENT
BETWEEN
THE STATE OF ALABAMA DEPARTMENT OF FINANCE
AND
THE ALABAMA DEPARTMENT OF REHABILITATION SERVICES
FOR THE DISTRIBUTION OF CORONAVIRUS STATE FISCAL RECOVERY FUNDS**

This Memorandum of Agreement (the “Agreement”) is made by and between the State of Alabama Department of Finance, at 600 Dexter Avenue, Montgomery, Alabama 36130 (hereinafter referred to as “DOF”), and the State of Alabama Department of Rehabilitation Services (hereinafter referred to as “ADRS”). DOF and ADRS may be referred to herein individually as a “party” and collectively as the “parties.” This Agreement becomes effective on the approval of the parties and the Governor of the State of Alabama.

I. PURPOSE

The federal American Rescue Plan Act of 2021, Public Law No. 117-2, 135 Stat. 4. (“ARPA”) was signed into law on March 11, 2021. The Act amended the federal Social Security Act to add Section 602 to the Social Security Act, and by doing so, created the Coronavirus State Fiscal Recovery Fund (hereinafter referred to as “the State Recovery Fund”). The Act appropriated funds from the State Recovery Fund to the State of Alabama and other states to support their response to the impact of COVID-19 on their communities, residents, and businesses; and to aid in efforts to contain COVID-19. Under Section 602 of the Social Security Act, the State Recovery Fund funds may be used to cover costs obligated on or before December 31, 2024 and incurred by the State on or before December 31, 2026, for four broad purposes:

- A. To respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits; or for aid to impacted industries;
- B. To respond to workers performing essential work during the COVID-19 public health emergency, by providing premium pay to eligible workers who are performing essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;
- C. For the provision of government services to the extent of the reduction in revenue of the State due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- D. To make necessary investments in water, sewer, or broadband infrastructure.

The Secretary of the Treasury promulgated initial regulations for purposes of implementing the State Recovery Fund, published in the May 17, 2021, Federal Register, at 86 Fed. Reg. 26786 (the “Interim Final Rule”). The Interim Final Rule clarifies that the State Recovery Fund is intended to build upon and expand the support provided to states and other governments over the last year, including through the Coronavirus Relief Fund (“CRF”). The Interim Final Rule further provides a non-exclusive list of examples of costs that qualify for payment from the State Recovery

Fund funds under one of the four broad categories specified in Section 602 of the Social Security Act, as specified above. In response to public comments to the Interim Final Rule, the Secretary of the Treasury promulgated final regulations in the January 27, 2022, Federal Register, at 87 Fed. Reg. 4338 (the “Final Rule”), which took effect on April 1, 2022. For purposes of this Agreement, funds provided by DOF to ADRS must be used consistent with the requirements of the Final Rule.

The State of Alabama was allocated \$2,120,279,417 from the federal State Recovery Fund. Section 2 of Alabama Act No. 2022-1 (the “Act”) appropriates up to \$36,796,346 of such funds to DOF to be used to support the delivery of health care and related services to citizens of Alabama related to the coronavirus pandemic, including through assisted living facilities (hereinafter referred to as the “Funds”). The Act further provides that the Funds may be delegated through memoranda of agreement with the Alabama Department of Public Health, the Alabama Department of Mental Health, Alabama Department of Rehabilitation Services, or any other state entity of competent jurisdiction, health care association or health care provider.

The DOF desires to allocate up to \$7,000,000 from the Funds to ADRS for its Children’s Rehabilitation Service, Independent Living, Vocational Rehabilitation Service, and Early Intervention Programs to improve health care and health care related services for Alabamians with disabilities impacted by the COVID-19 pandemic and economic impacts thereof. The specific programs and proposed uses of Funds provided under this agreement are more thoroughly detailed in Appendix A, attached hereto and incorporated herein by reference.

DOF has concluded that the programs proposed to be funded by ADRS are necessary to continue to respond to and mitigate the COVID-19 pandemic and public health emergency in Alabama and the economic impacts thereof. Further, DOF concludes that funding ADRS’ programs within the parameters and as described in Appendix A using the Funds is an eligible and appropriate use of the Funds under both federal and state law. DOF fully supports ADRS in its effort to support and protect the citizens of Alabama.

II. PARTIES’ RESPONSIBILITY
